

Established in 2011, the **Elmwood Park Crew Soccer Club** consists of boys and girls soccer teams ranging from 7 to 18 years of age. Crew teams are led by licensed volunteer coaches and our board also consists of volunteers. In addition to regular season games and practices, we also offer training clinics (from kindergarten age and beyond), winter indoor programs, host end-of-season family celebrations where we distribute team and player awards, and organize annual trips to Red Bulls Arena where players, coaches and families come together to enjoy Major League Soccer matches in person.

As with any sports organization, there are many expenses involved with running a successful club. We rely on merchandise sales and fundraising events to fund our equipment costs and to keep registration fees down each year for our parents. As we look to continue building EPSC into a more successful organization each year by offering quality training and services, we are seeking the support of local businesses. Local area support will help us fulfill our promise to the community - that our club is able to offer an exciting place for children to participate and excel in the sport of soccer, an inviting place for players and family to feel included, and a local organization that residents, businesses and representatives can be proud of.

As a travel club, we are able to spread word of any partnerships beyond our local border as teams include players not only from Elmwood park, but also from various surrounding towns and games can be played in Bergen, Passaic, and Morris Counties and beyond. Below are different sponsorship levels which lay out what the club can offer in return for your business' generous donation.

LEVEL 1	\$100	LEVEL 2	\$250	LEVEL 3	\$1000
Business name and logo on our club website with a link to your site. Social media blasts from our club's Facebook page letting site visitors know who our generous supporters are.		Team sponsor - Same as Level 1, in addition to having company name/logo on player training shirts for an individual team through <u>two</u> full seasons (spring & fall).		Club sponsor - Same as Levels 1 & 2, but having logo on <u>all</u> training jerseys through two full seasons. Also includes sponsor plaque to display at your business.	

Keep in mind that unlike many other local sports where a season may only last a few months, our soccer programs run the entire year and therefore our sponsorships do as well. In addition to our regular spring and fall seasons, teams also participate in offseason activities (training, tournaments, indoor games) which means there are eyes on our players, website and club all year round. That means eyes on your business name all year round!

We hope that you and/or your business is willing to consider contributing to our club and sees the potential impact of helping a fun, safe and family-oriented local organization such as ours. Should you wish to proceed or need additional information prior to making your decision, we would be happy to reply via email, speak by phone or meet in person to discuss. The Crew and its board would like to thank you for taking the time to consider our proposed sponsorship offers and look forward to hearing from you soon.

Sincerely,

EP Crew Soccer Club Board Members
